St. Theresa Cemetery Kelowna and District Genealogical Society Cemetery Recording Committee

The Kelowna and District Genealogical Society is a non-profit society dedicated to helping people research and document their past. We are located in the Okanagan Valley in the south central interior of British Columbia.

In the mid-1980s the KDGS undertook the first transcription of burial sites. Booklets recording this information were published in the early 1990s.

In 2008, the Cemetery Recording Committee of KDGS took on the task of updating all known burials in the area from Peachland to Oyama. This committee and KDGS members visited the local burial sites to transcribe and photograph gravemarkers. This project now includes church memorial plaques and isolated burials. We hope to include three small cemeteries in the Westbank area in the next publication. There are two large cemeteries in this area that we have not included in this publication: Kelowna Memorial Park Cemetery and Lakeview Memorial Gardens Cemetery. We continue to search for and document isolated burials in the Central Okanagan.

This project includes burials recorded in:

1. Gellatly Cemetery and Gellatly Heritage Park
2. Immaculate Conception Church Cemetery
3. Old Winfield Cemetery
4. Oyama Community Cemetery
5. Peachland Cemetery
6. St. Andrew's Anglican Churchyard
7. St. Theresa Cemetery
8. Westbank Cemetery
9. Winfield Cemetery
10. Small Cemeteries and Isolated or Individual Burials

Photographs of each gravemarker have been published online at The Canadian Gravemarker Gallery <<http://www.gravemarkers.ca/>> and are available from KDGS. The photography and labeling of photographs by surname has been a major portion of this project. These photographs have facilitated the proofreading process and the compilation of the written material. They are also a record of which markers exist today. Some of these markers are deteriorating and may not be legible in the future.

We appreciate the extra attention given to these maps by Arthur Green.

The Cemetery Recording Committee has undertaken to make this project as accurate and complete as possible. There will be mistakes and omissions. Please note that not everyone mentioned in this publication is necessarily buried or even deceased. As genealogists, we recognize that associated names help to identify the person we are researching. Therefore, we have included names mentioned on burial markers and often these are of surviving family members.

This is the most complete compilation of its kind to date. We want this work to be helpful to researchers and therefore will be gifting copies to major libraries and depositories as well as to representatives of the cemeteries included in this publication.

History of St. Theresa Cemetery

By Evelyn Vielvoye and Elaine Senger

Edited by KDGS Cemetery Recording Committee – 2012

St. Theresa Cemetery, one of the oldest cemeteries in Kelowna, is located on Sexsmith Road. Local Ellison pioneers John Joseph and Bridget Carney sold land to Walter Folliard who gave the land for this cemetery. Tom Carney, Walter Folliard, and Joe Schneider worked diligently in laying out St. Theresa Cemetery.

Walter Folliard was not well at that time and died at Kelowna November 30, 1935 age 62 years. His was the first burial in St. Theresa Cemetery. This took place on December 3, 1935.

Other early burials in St. Theresa Cemetery include the following:

- Mary "Molly" Folliard: died Kelowna January 4, 1936 age 51 years and was buried January 7, 1936 (the second burial in this cemetery)
- Alex Schneider: died Kelowna April 13, 1936 age 17 years
- Rachel Lingor: died Kelowna October 24, 1936 age four years
- Adam Rieger: died Kelowna June 8, 1937 age 28 years

The cemetery land is clay and was without water and therefore was difficult to maintain. All early attempts to make it look nice were in vain. Balthaser Bachmann made the original Corpus out of plaster and the first cross was made by Joseph Senger. John Mettlewsky made the second cross.

In 1960, under the leadership of Father Flynn and the Knights of Columbus, Louis Rivard, Ed Rieger, Albert Beitel, and Pete Schneider cleaned up the cemetery. In 1969, 80 new iron posts were erected. Maintenance in 1972 included concrete liners for plots and perpetual care landscaping. Al Lenarcic looked after the cemetery on a voluntary basis for approximately five years. About 1979, a fence was built around the property. Lack of irrigation made it impossible to plant anything and thus the cemetery looked barren and bleak.

In 1975, a new parish was formed and construction of Holy Spirit Church began on October 21, 1976. It is located at the end of the 1200 block Neptune Road, overlooking Springfield Road. Holy Spirit Church has joined St. Theresa Parish in maintaining St. Theresa Cemetery.

St. Theresa Cemetery was maintained by volunteer labour for almost 50 years until 1982 when irrigation was installed, allowing for landscaping. Water was purchased from the Glenmore Irrigation District. Ellison Nursery was in charge of the landscaping and some underground sprinklers were installed. Pete Stolz, Ed Schneider, and John Sali laboured to beautify and landscape St. Theresa Cemetery. Pete and Harold Schneider maintained the grounds.

In 1983, new regulations were implemented: flat markers, no curbs, and multiple graves were encouraged. Bob Savage was the caretaker. Once again there was much discussion about making this a spiritually rewarding and peaceful site. On June 10, 1988, many parishioners and family members participated in beautifying the cemetery. Top soil was hauled in and grass and trees planted under the direction of Dell Ahrens, George Messier, Brian Richards, Peter Trach, Morris Kuzic, Leo Larmond, Ed Rieger, Reinhold Seesbacher, Ed McGinnis, Uno Nelson, Leo Arman, Henry Tibbey, and Al Lenarcic.

In the summer of 1989, vandals damaged the Corpus and a new bronze Corpus was ordered. On October 15, 1989 a service of re-dedication, blessings, and remembrances was held amid the lush covering of grass, trees, and ornamental shrubs. Father Alan MacGregor blessed the Corpus, cut the ribbon, and thanked the many committee members who gave so much of their time. Pete and Ann Stoltz kept the cemetery books at that time.

Leo Elder and Al Lenarcic later served as caretakers. In May 2007, Jack Senger installed an updated irrigation system and took over maintaining St. Theresa Cemetery. He continues to look after this historic cemetery.

St. Theresa Cemetery is the resting place for over 750 people. It is still a rural setting with some homes and small businesses in the area. Father Alexander Louis de Lestre (1879 – 1967), the second resident priest, served this parish from 1937 – 1952. He has a place of honour in St. Theresa Cemetery.
